ROLE OF A TEACHER IN A STUDENT'S LIFE

Teachers play a very important role in student's life. As a teacher, one must bring out the best in students and inspire them to strive for greatness. A teacher believed to be a credible guide for their advancement. Not they guide students in academics or extracurricular activities, but teachers are also responsible for shaping a child's future, making him/her better human being.

A teacher imparts knowledge, good values, tradition, modern – day challenges and ways to resolve them within students.

"Life is like a Road"

Life is like a Road
We are travelling with a road.
It may be smooth, may be rough,
Which show that our life is tough?
It has many holes in it
There are many obstacles in life too.
But one who cross all are very few.
There are speed-breakers,
Which controls our speed?
Don't take high lead.
There will be traffic and crowd.
But you will find some loving one.
Crossing all traffic you will have to go.
Remember life is like a road.
We are travelling with a load.
Ana at last we can say
"I have lived my road"

पापा हमारे लिए सब कुछ है ।

पापा हमारे लिए सब कुछ है दसना सिखाया और दसाना भी, हर मुसीबत का सामना करना भी सिखाया बस आगे ही आगे बढ़ना सिखाया।

पापा हमारे लिए....

स्वाभिमानी, सिद्धांतवादी और आत्मनिर्भर है नकारात्मकता कभी पास आने न दी अपने, आप हैं तो १९ के जमाने के पट सोचते हैं २० के जमाने से भी ऊंचा।

पापा हमारे लिए....

संगीत कला आपसे सीखी , चित्र कला भी पेशानियों का ढल निकालना आपसे ही सीखा , दुनियादारी बड़ी अच्छी सिखाए हैं, पढ़ना लिखना आपने तो सिखाया।

पापा हमारे लिए....

भूतकाल और भविष्यकाल को हमेशा साथ लेके बड़ी चालाकी से चलते हैं वर्तमान में, कभी न गुर्रसा किया कभी न हुई नाराज जो अपने लिए सोचते हैं वही दूसरे के लिए भी।

पापा हमारे लिए....

MENTAL ILLNESS

It is the topic that has never been taken seriously or considered it as a problem in India while it is one of the most important matters. We have to take it into consideration especially now since many people are suffering from it due to pandemic. As people are stuck in four walls for a long time, they have met many different mental illnesses. It is not restricted to specific age group as people assume but anyone from childhood to teenage, adults to senior citizens can be suffering from it. It doesn't only affect your mental health but also your physical well being and social life and may end up into something big if not realized and cured. So now is the time to realize its seriousness and help the one who is suffering sincerely.

MAGIC OF MUSIC

Music is god's gift to the entire human race. Music is the best way to be happy and busy in life, in this busy crowded and bustling world, where everyone wants to harm each other, in a difficult time music keeps us happy and help to rejuvenate mind. I myself have realized in my real life that music is really just a tool to help me stay happy forever. Music is more than meditation and yoga, because it benefits both our body and mind. We can listen to music sometimes throughout the day.

Listening to music in middle voice is very good habit, It helps a lot in increasing my Concentration during my studies. Music is like

Yoga which always keeps us happy. Along with this, it also maintains the balance of hormones in our body. It keeps our body healthy and our mind calm.
